

KRANSKY

IN A NUTSHELL LITTLE, LONG AND LEAN. BREADY, HERBAL, CLEAN.

A beer named after a (sausage) dog named after a sausage - inspired by the use of Vienna (Weyermann Wiener) as a base Malt and our decision to breed this Pils long, lean and low.

Lots of character in a small frame was the idea.

We mashed high, thick and short for a long body and low alcohol - with Vienna and Carapils helping to fill out Kransky's tiny frame. The relatively new German hop 'Callista' contributed spicy, red berry and herbal characters while a long and cool ferment with American Lager yeast kept Kransky smooth and clean - with just enough snap in the finish.

A dogged little Pils.
