

BOOTY BLOCKER BROWN

IN A NUTSHELL MALTY, NUTTY, ZESTY AND PUNGENT. SMASHABLE.

Adelaide Roller Derby and the Wheaty go way back; we've proudly bankrolled the league since its inception, we host Raw Meat recruitment drives, Team Zebra debriefs, innumerable post-bout shenanigans and harbour a growing collection of Adelady 'Skate of Origin' silverware in the Front Bar. We fill our bout day Corporate Box to overflowing and admire Derby's tight little puns from scaffold seats...The Wheaty loves ADRD.

And now we have the means to do what we've wanted to do for years: brew a beer in honour of this fearsome league.

In a chance encounter, Em aka 'Crispy Saltbush' provided the name, Wheaty Brewing Corps the alliteration and 'Booty Blocker Brown' was born - and brewed - in time for Grand Final Night (that special Saturday in August). Booty Blocker Brown is intended to stop you in your tracks in the nicest possible way; with enough toasty malt body to carry the late hop hit and bitey finish and low enough booze to keep you out of the Sin Bin.

Wheaty Brewing Corps: proudly lubricating ADRD since 2014.
