

VICTORY BEAVER

IN A NUTSHELL TOASTY, AROMATIC AND LEAN. MATTER OF FACT WE'VE GOT IT NOW...

Once we'd locked in Victory Brewing's Bill 'never neglect your thirst' Covaleski and Beavertown's Logan 'love & care for your beer' Plant for our second Good Beer Wheaty 2015 collaboration brew, Victory Beaver pretty much named herself. And she pretty much designed herself too. We were dead keen to brew a Pils with Bill, a modern day Lager Master, and to engage in some serious style bending with Logan, never one to shy away from adventure...

And so 'Victory Beaver' the Vienna Pils was born, or 'VB' to her friends. The combination of Vienna, Munich and Shepherd's Delight give VB enough toasty, biscuity malt to carry a fair whack of hops. She positively purrs with spicy, floral and herbal characters courtesy of Hallertau hop derivatives Helga and Wakatu balanced by tropical, melon and pine notes from Vic Secret and Enigma. A long, cool ferment with our 'house' Lager yeast and extended cold conditioning has resulted in a clean, spicy and smooth Vienna Pils.

A hard earned thirst needs a big cold Victory Beaver...
