

WHEY PUFT

IN A NUTSHELL BERRY, VANILLA AND ROAST. WAAAY DECADENT.

Given that the mission for our Good Beer Wheaty collaboration with Gaz (Tiny Rebel) and Darren (Doctor's Orders) was 'Dark' – and that both have a propensity for putting things in beer that don't belong there, with consistently delicious results – Whey Puft fell into place 'yn gyflym'.

Essentially Whey Puft is a riff on Tiny Rebel's classic marshmallow Porter of a similiar name, but with Blackberry, Lactose, Vanilla and more booze. And no marshmallow. Or rather less marshmallow. Doc, hellbent on wreaking candy havoc on our kettle, snuck one White and one Pink marshmallow into the boil before we could reel him in...

Rich, smooth and decadent, Whey Puft presents with deep roast and big vanilla sweetness upfront, cut through with blackberry tartness and tannin and a dusty dry, warm cocoa finish. Chocolate Port.

And if you taste hard enough, we reckon you can pick out the contribution of Doc's White and Pink 'flavoured' marshmallows too...

'Pwddin' in a glass.
